

Season 1.2 Ch. 2 Script

Season_01_2 - Chapter02 - Part01 - A

Hero

Soulchaser, what do you remember about the Valley of Fire?

Soulchaser

From here, we traveled a long way south, through Hellcat Reach, and into the World's Maw.

Hero

Where did you learn the names?

Soulchaser

At night, as the Dragon rested, he would talk softly to himself. I would creep close and listen. I understood enough Draconic to know the words.

Auri

You speak Draconic?

Soulchaser

I am very old, Auri. VERY old.

Auri

Where did you learn? Did a Dragon teach you?

Soulchaser

I do not remember. Perhaps once, I was a scholar. Who can say...

Season_01_2 - Chapter02 - Part02 - A

Toragon

Auri. I've been thinking...

Auri

About the Dragonheart?

Toragon

Exactly. Do you REALLY think it's true? If you don't... go there... that it will be a disaster?

Auri

Oh, Toragon, I know you mean well. But, yes. This is REALLY important. So many lives depend on it - Human, Elf, Dwarf, Dragon, and more.

Toragon

Just hear me out though. What if there were another way?

Auri

What do you mean? The Dragonheart chose me. I'm the one who must make the sacrifice.

Toragon

What if somebody else could make the sacrifice for you though?

Auri

Toragon! No! Don't you even suggest that!

Season_01_2 - Chapter02 - Part03 - A

Eveline

What's on your mind, Toragon? You've been stomping around all day.

Toragon

Hmph. Stomping indeed... It's Auri. I'm worried about her.

Eveline

You're a good man, Toragon. But have you considered that perhaps Auri is precisely where she needs to be right now?

Toragon

NO! That's monstrous! She's going to give up her life for a bunch of Dragons who never cared for her at all.

Eveline

Don't you raise your voice to ME, young man!

Toragon

...

Toragon

Sorry, Eveline.

Eveline

Have a little faith, Toragon. I believe the universe has plans for us all. We may walk in a narrow valley, but the paths of our lives have many branches yet.

Season_01_2 - Chapter02 - Part04 - A

Mutiny

Xione, these creatures we're fighting... Why are we FIGHTING them?

Xione

Because they are a threat to any power I may acquire at the conduit to Ygdratha.

Mutiny

See, you took me literally again. I was actually commenting on doing some things with them that did NOT involve fighting... If you get my drift.

Xione

Oh, you desire congress with them? That would be unwise.

Mutiny

Well, apart from pretty tasty with their shirts off... What WERE they?

Xione

Incubi. Demons of desire. I'm surprised to see them.

Mutiny

It's the only pleasant surprise I've had for a while.

Xione

Not really. If they're here, then they've come through from the Underworld. The path to Ygdratha may be close, but its portal may have been breached.

Mutiny

I don't entirely know what that means, but here's to getting into their breaches!

Season_01_2 - Chapter02 - Part05 - A

Toragon

Auri, I've been thinking about our conversation the other day.

Auri

Toragon...

Toragon

No, no... Hear me out. I talked with Eveline, and she helped me understand some things.

Auri

About the Dragonheart?

Toragon

Yes... And no... Mostly about all of us. What if we're all precisely where we need to be?

Auri

I don't understand. Do you mean in this valley?

Toragon

I mean with YOU. Together - all of us - we've faced some terrible challenges, but we've always overcome them. What if we were all MEANT to face this one too?

Auri

That's... Toragon... I don't know... Perhaps... I'll need to think about this.

Season_01_2 - Chapter02 - Part06 - A

Toragon

Auri is going to need our help when we get to this tree. We should learn some more about it.

Hero

I agree. Xione, can you tell us any more about Ygdratha and the five trees?

Xione

Of course. What is it you would like to know?

Hero

You said there were five trees. Are they all together?

Xione

No. That would be... chaotic. There is one for each element. I only know the location of two... Well three now, if - as I suspect - the Tree of Fire lies ahead.

Hero

Where are the other two?

Xione

The Tree of Darkness grows in the Forest of Yrm, on the Isle of Dawn. An enclave of my people live there, guarding it. And the Tree of Ice lies far to the north, beyond the Lake of Blood.

Hero

And what of these portals in the trees? Portals to the Underworld, you said?

Xione

Indeed. But they are sealed - guarded by ancient Dragon Spirits. None of my people were ever able to break the seals. We tried.

Hero

That makes sense. But why are there Dragon Spirits in the portals?

Xione

We assume the first Dragons placed them there, possibly when they entered our world aeons ago to stop other things following them. I suspect this ritual with the Dragonheart is to nourish and replenish those guardians.

Season_01_2 - Chapter02 - Part07 - A

Soulchaser

We will soon pass through Hellcat Reach.

Hero

You mentioned that before. What is it?

Soulchaser

It is particularly difficult terrain, filled with Hellcats - some larger than those we've seen so far.

Hero

Very well. We'll keep an eye out for it.

Soulchaser

Once we've passed through that, we'll enter the region the ancient Dragon referred to as the World's Maw. It was where I lost him.

Season_01_2 - Chapter02 - Part08 - A

Toragon

I talked with Auri. I suggested she doesn't do this thing alone. I think she listened.

Hero

Thank you, Toragon. I'm sure everyone here will stand with her when the time comes.

Eveline

And what if she changes her mind?

Toragon

We'll just... I won't let her!

Eveline

You're a good man, Toragon. With a good heart. I know she's like a daughter to you. But some things are not your decision.

Season_01_2 - Chapter02 - Part09 - A

Toragon

Auri, I talked with everyone. We'll all stand alongside you when we reach this burning tree, or whatever it is.

Auri

Toragon... I've been thinking... That's just it...

Toragon

What? What do you mean?

Auri

We don't even know what this is. How can I ask you all to stand with me?

Toragon

Damn it all to hell, girl. Why won't you let us help you?

Auri

Because... Because I love you all so dearly. I've asked so much of you already. And this... Toragon, there is no coming back from this.

Toragon

ARRRGHHH!!!!

Season_01_2 - Chapter02 - Part10 - A

Soulchaser

Ah! The Hellcat Reach at last. If we make it through we'll be in the final stretch of the valley.

Hero

Very well, Soulchaser. Lead the way. Northelm, Toragon, watch the flanks!

Northelm

Yes, s-sir!

Toragon

I'm on it!

Season_01_2 - Chapter02 - Part10 - B

Beyond Hellcat Reach, we saw craggy mountains, and more lakes of lava.

Hero

The World's Maw seems to be a very apt name.

Toragon

Yeah. If the world had a bad case of indigestion.

Hero

Speaking of which... Gong? How about a song to raise our spirits?

Toragon

Really?

Gong

Gong will make new song about this adventure!

Gong

GONG ATE SOME CATS! SO MANY CATS! THEY BURNED HIS TONGUE!

Gong

THEY BURNED HIS THROAT! THEY BURNED HIS GUTS! THEY BURNED HIS BUM!
